LIVE CAPTIONS

To view live captions of today's university-wide Recognition Ceremony, follow along at: commencement.wustl.edu

PROFESSIONAL PHOTOGRAPHY

Professional photos will be taken as students walk across the stage and as they exit the stage. These can be purchased 48–72 hours after the event at gradimages.com or by calling 800-261-2576.

SPECTATOR PHOTOGRAPHY

We know you are excited for this day and want to capture your student during the ceremony. Please be respectful of all guests around you and make sure you are not blocking others' view as their student could be right after yours.

Please remain seated during the ceremony and help our volunteers keep the aisles clear during the recession so the students can exit.

We are excited to share the day with you!

GUEST SPEAKER

PENNY PENNINGTON

Managing Partner
Edward Jones

Penny Pennington is the managing partner of Edward Jones, a leading financial services company dedicated to helping its 8 million clients turn their life plans into financial plans. Under her leadership, the firm delivers on its purpose to partner for positive impact, to improve the lives of its clients and colleagues, and together, better its communities and society.

As Edward Jones begins its second century, Pennington, as the firm's sixth managing partner, is guiding Edward Jones through a cultural renewal and strategic transformation that is purpose-driven, leader-led and team-based. The firm's approximately 52,000 associates and nearly 19,000 financial advisors throughout the U.S. and Canada are committed to meeting clients' growing desires and expectations for a trusted advisor who deeply understands their goals and guides them to meet those goals with professional advice that reflects their unique situations.

With more branch offices in more communities than any other financial services company, Pennington is seeking to lift more people up through three areas of focus: partnering for lasting financial strength, promoting healthier futures, and advancing inclusive growth. One way Edward Jones brings these priorities to life is by promoting financial wellness; through its Financial Fitness program, the firm is committed to educating 1 million learners by the end of 2025. Edward Jones believes that serving more clients in more communities, and helping them achieve more possibilities in their lives, invigorates families and futures for this generation and generations to come.

Pennington began her career with Edward Jones as a financial advisor in 2000 after a 14-year career in banking and was named a principal in 2006. She held various leadership roles in the firm's St. Louis home office before being named managing partner in 2019. She has a bachelor's degree from the University of Virginia and an MBA from Kellogg School of Management at Northwestern University, and she was named No. 69 on the Fortune Most Powerful Women list.

In 2022, Pennington was elected to serve a three-year term as a large-firm governor of the FINRA Board of Governors, which oversees management in the administration of FINRA's affairs and the promotion of FINRA's welfare, objectives and purposes. She is an active member of the St. Louis community, serving on the boards of the Federal Reserve Bank of St. Louis, the Donald Danforth Plant Science Center and the Washington University in St. Louis Board of Trustees.

WASHINGTON UNIVERSITY IN ST. LOUIS TRADITIONS

William Greenleaf Eliot Seal

The plaque embedded in the ground beneath the archway honors Washington University's founder, first Chairman of the Board and the third Chancellor, William Greenleaf Eliot. The plaque was given to the university during the centennial celebrations in 1953 by the First Unitarian Church of St. Louis. Student lore states that anyone who walks on the seal will not graduate in four years.

University Seal and Motto

The university seal was developed in 1896 by Holmes Smith, professor of drawing and history of art, using elements from the coat of arms of George Washington (after whom the university is named) and fleurs-de-lis, the symbol of King Louis IX, patron and namesake of St. Louis. The seal was officially adopted by the Board of Trustees in March 1897. The university's motto, which appears inside an open book in the middle of the university seal, is Per Veritatem Vis, "Strength through Truth." The motto was adopted in 1915. The current version of the official university seal was created in 2000, incorporating the same elements.

ALMA MATER

Dear Alma Mater,
Thy name is sweet to me.
Our hearts are all for thee
Fair Washington.
Thy halls shall honored be
Throughout this great country
For all eternity, Our Washington.

Those days of youth which
All of us spent with thee
Form a dear history,
Fair Washington.
Could they renewed be,
We'd live our days with thee
For all eternity, Our Washington.

**Degree candidates and guests, please visit
the tables in the lobby as you exit for
to-go food and beverages.**

**Thank you for joining us today
and congratulations!**
